

Epistar LED decklight Horta | RGB | 0,4 watt

Product Images

Short Description

This Epistar LED deck light Horta RGB spot is a supplement to the Epistar LED deck light Horta RGB set. You can expand the Horta set to a maximum of 8 spots.

Description

This spot is a separate spot from the Horta RGB set. This spot comes with a 1-metre cable. You can connect this spot to the last spot of your current Horta set. Do you need more cabling than 1 metre per spot? Extend the cable with a deck lighting extension cable.

Tip: The cap that you used to close the cable of the last spotlight should be put on the new Horta spotlight. This will be your last spot and the cable should be covered for protection.

This spot has a 5-year warranty. More information about this product can be found in the product specifications. For questions, please contact our LED specialists.

Additional Information

Article number	L2121
